LIVE IT UP!

The Class of 1987 has been silently growing closer; bonding tightly together in a process which has taken four years to complete. The seniors shared some of their most important teenage experiences and relationships at Portage Central — with people they may never see again. They went through good times and bad times and especially crazy times, when seniors would just cut loose and act on their wildest dreams! There were the classes, the clubs, the athletics, the teachers, the underclassmen, pep assemblies, the games, and homecoming, where the Class of '87 spread their spirit.

Although, in our souls, the Mustang spirit can never be extinguished, there is a certain sorrow that our high school years are over . . . forever.

THE GOLDEN RULE

This year in PCHS's math department there was
new teacher, Miss Warsco. She filled the position that M
Gillett held for many years. Miss Warsco, along with th
other PC math teachers, helped students to understan
problems dealing with the distance formula, the Patho
gorian Theorem; sine, cosine, and tangent function
Also, early in the year, PC students had a chance to te
their math ability by taking a statewide math scholarshi
test.

Students interested in science had their choice of a variety of subjects such as: Earth science, Physics, Biology, Intro to Biology and Geology, and Chemistry. Chemistry class was involved in a wide range of activities; from finding the valence electrons in gold to studying molecular equations. An added attraction to ChemStudy classes was Mr. Stowe's annual Irish jig on St. Patrick's Day. Biology and other classes in the science department received much needed new and updated text books which helped students considerably with understanding concepts and assignments. New in the Physics department was the Honors Physics class and a linear air tract which will be incorporated into classes next year. Overall, the number of students enrolled in the science courses was exceptional and surpassed the national average.

Another new feature offered to the students of Portage Central and Kalamazoo County was the Kalamazoo Area Math and Science Center. The center's director this term was Dr. John Thompson, and its advisory board included Mr. Don Campbell, head of the science dept. at Portage Central H.S. The program at the center was offered this year to the incoming freshman who met the necessary requirements. A total of 72 students from 14 different high schools in the county attended the center's classes which were composed of biology, math, and interdisciplinary science studies. Six of the 72 students were from Portage Central. These six traveled each day for a half a day to the fourth floor of the old Central High School or the Community Education center, for instruction. The classes at the center provided acedemically talented and highly motivated high school students with the opportunity to study science and math more intensely then they would be able to in their school's regular courses. The exsistance of the Kalamazoo Area Mathematics and Science Center was made largely possible by the generous funds furnished by the UpJohn Company.

FROM THE GOLDEN AGES TO MODERN TIMES

This year in English, the credit requirements for freshman were changed to four years; which meant that the class of 1990 will be required to have four years of English in order to graduate. A new teacher joined the PC English department staff; Mr. Ross, and also a new course was added to the communications department called Inner Views.

2. *Rob Firzpatrick* and *Brad Crawshaw* Rock P.C. in broadcasting.
3. Isn't English FUN!!
4. *Dava Wiley* studies a sonnet in English Lit. I.

SOCIAL STUDIES

Social Studies classes were positioned in a variety of new locations this year, but the subjects themselves remained the same. The courses required in the social studies department were American Heritage, Government, Economics, and two electives. Western World, 20th Century World, World Development, and Non-Western World were examples of global-study classes which could have been chosen by PC students as electives. Students taking social studies learned a wide range of history; from the golden age of ancient times to the Cuban Missle Crisis. Sociology and Psychology were also offered and proved to be very popular classes.

DAS GOLD, ORO, AURUM, OR

This year in language classes, PC students learned much about foreign nations and the languages they use. Spanish, French, German, and Latin each had their own clubs which met during activity period. The French Club, for example, took a trip to Chicago this year. Besides learning just about the language, students also had a chance to experience the culture's food by having C.C.E.'s.

PAINTING IN GOLD

This year, art students were offered eight classes. Included in these were basic drawing and painting, where students learned pencil rendering, contour drawing, and watercolor painting. It also developed students' skills in commercial art. Jewelry offered experiences in sodering, stone setting, and chain making. Seniors were offered a special course in which they specialized in one field of art. The art program at PCHS is growing each year, and its popularity among the students is due to the fact that the teaching staff is very exceptional.

BUSINESS STUDENTS PROMOTE SUCCESS

Changes were made this year in the business department. The computer class was changed from a two-hour class to a one-hour, one-semester course. Many students also took a shorthand course at Northern. Additional computers were purchased to give students a better chance to grow in a computer-related world. Many students participated in co-op and held positions in businesses such as UpJohn's, First of America, Sears, and Greenspire Apartments.

4

THE GOLD GET GOING!

A new idea was developed especially for the Phys. Ed. 3 classes second semester, this year. Instead of the usual football, softball, and tennis, our P.E. teachers developed a fitness program. This program consisted of aerobic dance, jumproping, weight training, and a nutritional unit. Students were required to make up their own ten-minute aerobic dance. Along with this were periodic twenty-minute runs.

A TOUCH OF GOLD AT HOME

1

The number of classes offered by the Home Ec. department was increased this year. New additions included the clothing, creative home furnishings, and advanced food service classes. Also added to the curriculum was a two-hour block entitled "Education for Employment". This block was a county-wide program which serviced Portage Central students as well as students from Parchment and Portage Northern. Familiar, but still popular classes were Family Issues and Food Service. Family Issues' students dealt with informative and pertinent topics which kept them interested and busy. Food service classes ended the semester by completing yet another fulfilling year with our own Golden Mustang. Another successful repeating course was the childcare class, which operated a nursery once a week for twenty children ages 3-5. This experience provided involved Portage Central students with many golden opportunities to practice patience and other skills needed for child care.

1. Gourmet cooking is *Kathy's* specialty. 2. I don't want to grow up! 3. *Greg Adam* and friends!

INDUSTRIAL ARTS

2

There has been much improvement in PCHS's industrial arts department. New this year was the CAD system, a computer drafting machine. It speeded up the drafting process for the advanced drafting mechanic's students. This also allowed the advanced classes to draw on their own and bring in their own projects. Other classes such as woodworking, auto mechanics, and welding were offered to give students some "hands-on" experience. PC students combined with those of Portage Northern industrial arts students, entered in the M.I.E.S. state competition in Traverse City.

BLOW YOUR GOLDEN HORN!

5

This year marching band consisted of 127 members who loyally braved the elements each game in order to entertain and maintain school spirit. The marching band also took part in two National competitions; the Mid-East Nationals in Akron, Ohio and the Tropicana Nationals, where Portage Central placed eighth out of a total of twenty-six bands. They also participated in two regional competitions and performed equally as well. As in the past, the band competed in district festivals which were hosted by Portage Northern. Practice and preparation paid off at festival by obtaining the prestigious "#1 rating." Individual and collective hard work and effort made for a successful and memorable year.

The Portage Central High School Bands had an eventful year. All three bands — consisting of the Freshman band, the Concert band and the Symphonic band — competed in district festivals. The Symphonic band went to a festival clinic in Ann Arbor for the first time. All three bands participated in the annual spring concert of bands. Many of the students enjoyed being involved in one or both of the jazz bands. The jazz bands — Flynnstones I & II put on on area shows. Students also participated in Pep bands (Blue and Gold) which they and the crowds at the basketball games and the pep rallies enjoyed very much. Also, members of the concert and symphonic bands formed a pit band for the school's play, *The Wizard of Oz.*

1. Symphonic Band's clarinet section leads the tune. 2. 76 trombones in the concert band? No! Not really, only 4!! 3. The flutes take the melody away!

STRINGS IN HARMONY

Portage Central students enrolled in Orchestra traveled each day to Portage Northern High School for instruction. Instruction was provided again this year by Mrs. Mary Hinderliter. The Orchestra performed in school concerts as well as at Festival, where they received commendable ratings. They were also involved in the week long program at Western Michigan University, ending the exciting experience with an evening concert. Many needed and talented newcomers were welcomed into the combined orchestra this year. The hard work and dedication of each member resulted in a successful and fulfilling season. In the year to come, the Orchestra will be hosted at Portage Central.

The Choir Teacher: Ms. Mansberger.

The choir welcomed a new instructor, Ms. Nancy Mansberger. Ms. Mansberger joined the Portage Central faculty after teaching at Western Michigan University and doing theater related work. Under her directorship, the choir performed the annual Christmas concert and Spring concert. They also performed at Festival and participated at the South West Michigan Vocal Festival, contributing to over a thousand voices. Club Night, which involves the choir and Jazz Band, was an exciting event and was extended to two nights this year.

SENIOR WILLS

I, Toadstool, will all my used pencils to Spud.

I Jenny Welser, will my gum collection in my locker to whoever gets my locker next year.

I Brad Sterling, will my obnoxious attitude, ability to question authority, and DXT spanking paddle to my junior friend, Dave Palmer.

I, Phoophette, will my grades to phoopher.

I, Greg Nawrocki, will my empty tins to Eric Anderson.

I, Angie Garling, will my Ex-Lax collection to Jody Cowlbeck.

I, Laurie Dunfee, will Mr. Advice and the remaining PC boats to my fellow amiga, Katie Wartner.

I, Molly Wentzell, will my small sneeze to Mr. Quick, the greatest teacher and friend.

I, Mike Tucker, will my hocker skates to Tim Harvey.

I, Caryn Arundel, will my indecision as a senior to all those who think they have their lives planned out.

I, Dan Jaqua, leave my boat (my yellow and rust station wagon) to Dawn Jeffery.

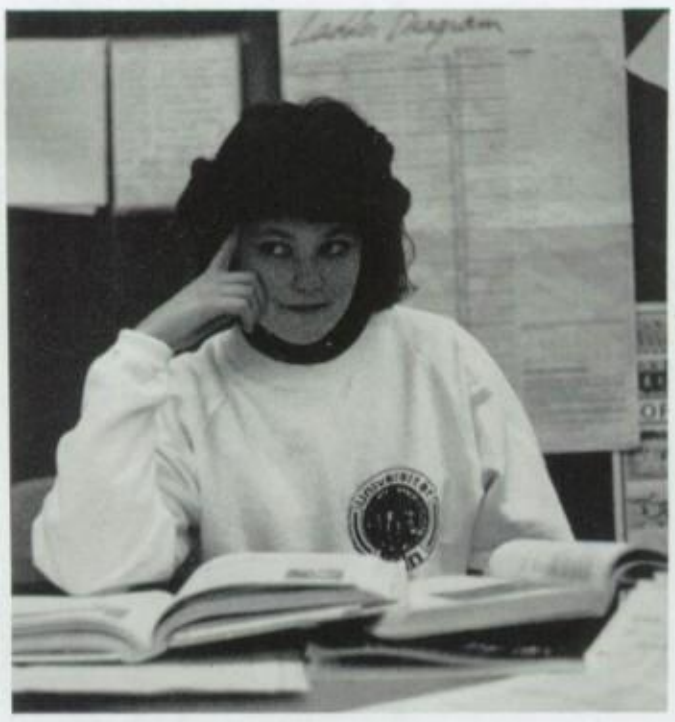
I, Jeff Lavender, will my extensive notes to a deserving freshman.

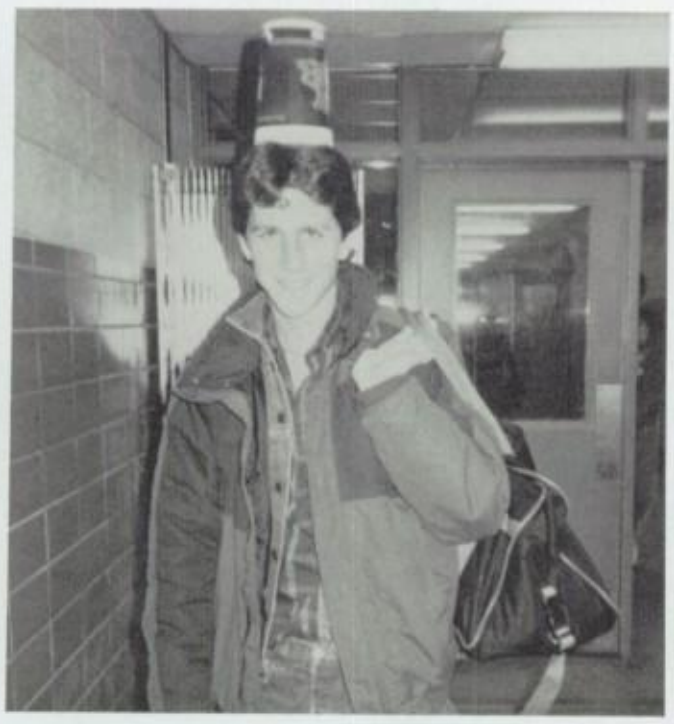
I, Shannon Seagraves, will all assignments to Tracy Klein.

I, Trevor Myers, will all my old English papers and tests to Laura Esman and Megan McLean.

I, Mark Kust, will rock and roll to all.

I, Laurie Dunfee, will Big Blue (the dumptruck) to Jenny Dunfee.





, Sheryl Vandenburg, will my Squirt to Chris Williams.

, Teresa Overmyer, will Beth Mayhew back all the mud she plashed on me as she drove past me.

, Leslie Boughton, will my physics notes to anyone who can decipher them.

, Dan Jaqua, leave my skirt and pom-poms to Jeff Richards.

"I, Dan Jaqua, leave my keys (30 of them), or my 50 pound weight, to Sarah Koopsen.

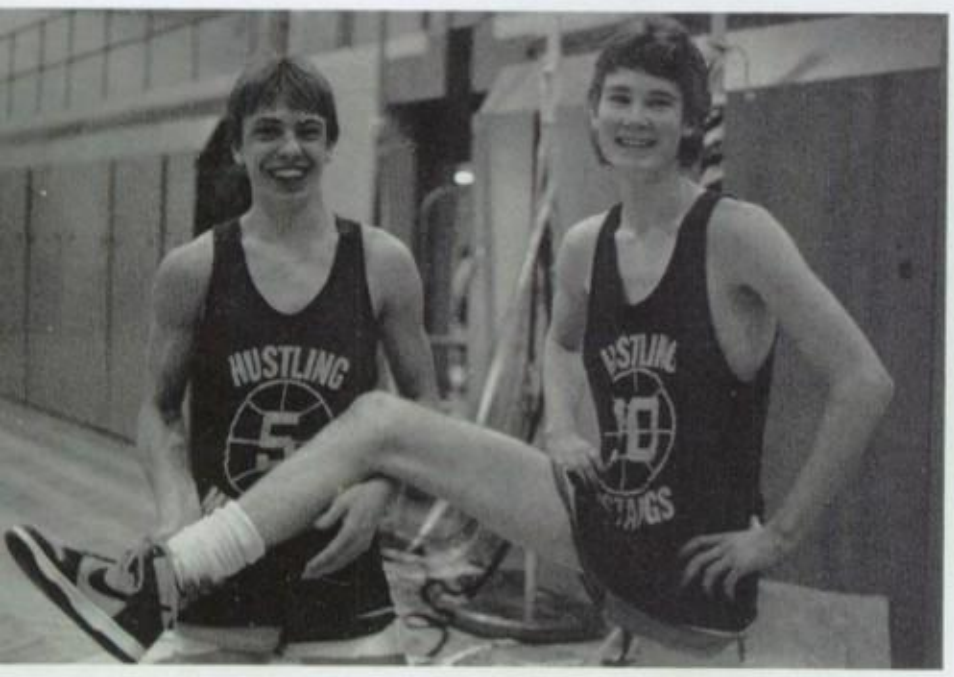
I, Sheryl Vandenberg, will my driver's training manual to Kristi Schau.

I, Dan Jaqua, leave my gym bag, or my walking locker, to Mike Snyder.

What has changed since you were a freshman? "Everyone! Every year the class became closer together and we weren't so concious of our faults or anybody else's. By senior year you know who your friends are! You can laugh at your mistakes and not care what other people think." – Leslie Boughton

What has changed since you were a freshmen? – "More friends, better times, and lots of memories." – Greg Nawrocki

"Northern still hasn't won in football and Mr. Walker still says 'Good morning, Portage Central!' " – Trevor Myers



I, Megan Whitlow, will my Duke Catalog to Bill Walker.

I, Brian Quinn, leave my basketball shoes to Brad Johnson.

I, Travor Myers, will my neck brace to Mrs. Haab.

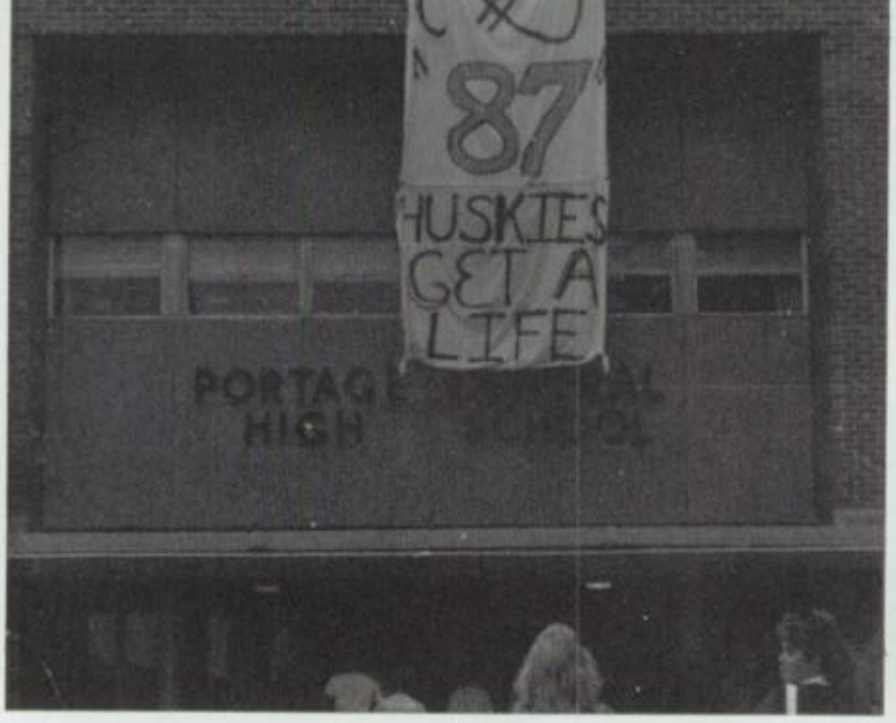
1. **Jenny Welser** is ready to add more gum to her famous collection. 2. What is **Caryn Arundel** so indecisive about now? 3. **Tracy Klien** says: "I hope these are **finished** assignments, **Shannon!** 4. Are you attempting to decipher **Leslie Boughton's** physics notes? 5. **Dan Jaqua** sports his walking locker. 6. How about a peek at the Duke catalog, **Bill**? 7. **Brad Johnson** can't wait to get his new treads from **Brian Quinn.** 8. **Mrs. Haab** makes good use of **Trevor Myers'** donation.

AND THIS IS STUDENT LIFE

"Live forever!" – Jamie Schuring

"Keep horsin' around." – Angie Garling

C. ROCKS WITH POWER" –
off Vine



"Portage Central is the best. Keep up the tradition of being the best. I'm glad I got to spend my high school years at PCHS." – Shannon Seagraves

To The Gang —
Well, we "Heard it through the Grapevine" that we are graduating. "Goodness gracious Great balls of fire" at times we all thought we were "Going Crazy" and there was something "In the Air" but you were always there to "Stand By Me," and give "The Best of Both Worlds." We've Got "One More Night" let's make it last forever. So hold right to your "Dreams" and when you climb that "Stairway to Heaven" don't leave these memories as "Dust in the Wind."

The Varsity Football team had a successful season with a first place at G-K, a second place at Conference, and a loss of only two games. The team's key to success was their competitiveness, talent, pride, and enthusiasm. Assets to the team were G-K and/or Conference stand-outs Eric Bontrager, Dave Stanley, Todd Ukert, Doug Roberts, K.C. Schuring, Dane Davis, Matt Levin, Mike Getsinger, and Mike Newhouse. These players were helped greatly by their fellow teammates, and the collective efforts provided for a satisfying and victorious Mustang season.

CHEERING FOR THE BLUE AND GOLD

The PC football cheerleaders cheered loud and proud this year in their new uniforms. The girls raised money for their new uniforms by modeling for the Interkal Corporation. Two seniors, Megan Whitlow and Jenny Schell, joined the group along with the returning four juniors, Kelly, Karin, Robin, and Linda. The varsity, along with the freshman and JV, kept spirit high in the air and all the fans cheering at McCamley field every home game.

With only two players with much varsity experience, the girl's tennis team performed exceptionally well under the circumstances. The team placed sixth in the conference tournament and ninth in the Regionals out of a total of fourteen tennis teams. Many individual performances were commendable this year, and displayed the talent possessed by the girls involved in tennis here at P.C. Mr. Don Strowe coached the team this year with the assistance of former Mustang, Molly Dolan. Co-Captains were Brenda Salisbury and Carla Koperdak, and Deb Blair held the #1 singles position. With eight freshmen on the team, the tennis teams' future looks brighter, and the building of a successful and powerful Portage Central team appears promising.

RUN AWAY WITH THE GOLD!

Led by captain Debbie Townsend, the women's six-member cross country team had an excellent year. They finished 5-2 in the conference and 5-4 overall. Debbie Townsend was the first runner to go to the State meet, and she finished 38th with a time of 20:22.

Captain Brian Quinn and eight other varsity runners finished a season of 2-5 in the conference and 3-6 overall. Mark Provancher was the most valuable runner and John Hallman was the most improved.

The men's junior varsity team also ended a strong season with 4-2 in the conference and 5-3 overall. This team consisted of ten runners.

With the help of assistant coaches Kim Warsco and Brandt Mohney, Coach Wolfgang Lugauer made the women's, men's, and junior varsity's seasons shine.

WORKED SO HARD, AND CAME SO CLOSE!

The Varsity Basketball team worked hard at every game this year and came close to winning many of them. The team consisted of five seniors, six juniors, and three sophomores who were all willing to work to their ability and learn new offenses and defenses from their coach, Sheri Wegner. They showed their "mighty MUSTANG power" by defeating Loy Norrix, Portage Northern, Battle Creek Central, and Jackson N/W. They also finished out their season with a big win over St. Joe by a score of 34-33. Their overall record stood at five wins and thirteen loses.

A TEAM WITH SPIRIT AND COOPERATION

This year the freshman team tried hard to accomplish a win. Although this was an unsuccessful task, they all contributed to the hard work put into each game. Their coach, Jim Shanneson, helped them to build fundamentals that they will need in the future as they progress through the program. Also this year, the J.V. team came across some tough competition. They beat arch rival Portage Northern the first game and then were defeated by them in the second game by a close score of 17-19. Each girl worked hard to prove to the new coach, Jill Shoemaker, that they too were good basketball players.

GOLF: A SWINGING SUCCESS

Men's Golf had some outstanding playe this year. One was John Henderson, wh was voted MVP and particiapted in all-co ference and all-city. Mark Ferguso achieved fifth place at regionals. Dan Stein was awarded for his good sportsmansh and Dave Gaudette got the most i proved. With the help of these players a skilled moves, we won against Three Rive and Kalamazoo Central with close score Their coach, Mr. Dick Swope, was enthusi tic about this year's golf league and tea spirit.

The Mustang swimming team had an exciting and victorious season. The ladies remained the big eight champions and hosted the conference at the Mustang pool. Jenny Steiner, Lucia Westroff and the relay team participated at the State meet, and all turned in fine performances. The team remained undefeated, and overall, displayed talent, speed, and dedication.

SHOOT FOR THE GOLD

The men's varsity basketball team got off to a slow start at the beginning of the season. Then, after a few games, the hustling Mustangs picked up their high-tops and started winning. They beat Big 8 Conference teams Portage Northern and Benton Harbor, and put out non-conference teams Sturgis and Kalamazoo Christian. Seniors Brian Quinn, Todd Jackson, and Pete Cook, along with sophomore Bill Walker, all contributed to the Mustang's victories over these teams.

Back Row: Coach Mike Monroe, Don Haynes, Brad Johnson, Bill Walker, Bob Carnes, Dave Felicjan, Pete Cook, Shawn Johnson, Tim Chandler, Mark Byers, Chris Norman, Charles Smith, and Manager Thien Duong.

1

The Portage Central wrestling team, under the coaching direction of Mr. McCloughan, had yet another excellent season. Their record was 11-1, being undefeated in dual meets and winning the conference title. Individual conference champions were: Scott McCloughan, Chris Riker, Josh Cunningham and Eric Bontrager. The team won three tournaments this year, and in Coach McCloughan's estimation, "they did as well as they could have done." The team was a young one — with only two seniors — which promises a strong returning team for next year.

FRONT ROW: Joanna Sheardy, Chauntelle Minshall, Erin Baird, Robin Saltrers, Diane Ishmael, Jill Robinson, Sandy Holzbach, and Cindy Towns. SECOND ROW: Kristi Schau, Laura Esman, Megan McLean, Jenny Sievers, Sr. Mgr. Robert Devereux.

Despite being plagued by injuries and illnesses, the Women's Varsity Volleyball team managed to produce a successful season. The team placed second in Conference, third in the Battle Creek Pennfield Tournament, and were ranked tenth in Class A in the state for a time. The team's cooperation, dedication and added height have contributed to their increasing improvement. The girls also were greatly encouraged by the supportive student body, which saw them to many victories.

JV VOLLEYBALL — Front Row: Beth Thompson, Jill Rouse, Cathy Brady, Erin Smits, Dawn Jeffrey, and Nancy Wagner. Back row: Lisa Stover, LeeAnne Robison, Heather Tillirson, Amy Kust, Louise Sherady, and Julie Hoek.

JV VOLLEYBALL GOES FOR THE GOLD

This year the JV Volleyball team did quite well in tournament play and finished first in the conference. The girls all worked very hard and gave their new coach, Ellen Korteway, plenty of reason to be proud of them. Although their old coach, Coach McGuee had to take a permanent leave, the team kept up a steady progression all year.

SUCCESS DEPENDS ON WHAT IS DONE . . . NOT WHAT IS SAID

The hard work and dedication of our Men's Swimming and Diving Team created an exciting and improved season. The efforts of each member also helped in achieving needed depth. Senior swimmers Scott Boling, Andy Villamagna, and Tom Radford made many contributions and served as this year's captains. Despite some losses to tough competition, the team remained enthusiastic and went on to win the Kalamazoo Christian Invitational. Directing the team was Coach Jim Schafer, who will be leaving in order to pursue a teaching position. His replacement will be given the job of guiding a young and extremely promising team.

The Portage Central Hockey Team had a very successful and entertaining year. The season started with a loss to Portage Northern. Then, our team picked up their sticks and began their winning streak, spening most of the season in second place. Central's second face-off with Portage Northern resulted in a tie, 4-4.

The amount of hockey fans has increased since P.C. hockey players went to state semi-finals last year and were prime contenders to go this year. The team's coach, Al Genovy, has worked hard, keeping PC in the spotlight over Loy Norrix, Hackett, the Kalamazoo Eagles, Kalamazoo Central, and Portage Northern.

This year, student council has been a great part of many happenings at P.C.H.S. One of which concerned the entire student body, was the temporary loss of activity period. Student council fought to maintain this priviledge, by making posters, announcements, and class visits to explain the situation. Other projects this year were the annual Bread Lift, money to the Provincial House, the annual Christmas Tea, and money supplied for Aaron Frazee and Rob Fitzpatrick to paint a mural in the gym. This years officers were: Tim Klein/President, Garth Behrje/Vice-president, Dan Jaqua/Treasurer, and Jen Thompson/Secretary.

CLASS OFFICERS: AT THE HEAD OF THEIR CLASS.

The 1986-87 student officers have dedicated their time and hard work for a year to cherish in great memories of our golden years. Our seniors appreciated survival packages from the freshmen and will always remember the breakfast given by the sophomores. The juniors hosted their prom at the Hilton this year and the seniors promoted school spirit among their graduating class and set a clear path for future graduating Mustangs.

PUT YOUR BODY INTO YEARBOOK

All those memories you are going to look back on in the years to come were captured by the yearbook staff. Photographers captured smiles, tears, and weird looks along with sports, activities, and academics. Copy writers wrote the words put into each page, trying to put a grasp on the whole year in a few short sentences. Layout personnel drew layouts for which all the pictures would have to fit for each page. Those interested in the business part of the yearbook challenge, sold ads to prospective sponsors. And to top it all off were the ever-so-loving editors, Laurie Dunfee and Amanda Lightfoot, who put everything together to try and satisfy the large student body of PCHS.

Debate was not only a fun class but also one that taught many important skills. Along with the ability to present a sound case, the 54 students learned argumentation, research and organizational skills. The teacher responsible for directing and instructing this class was Mrs. Mary Haab. The two classes which she taught were divided into 3 leagues and competed in 8 different invitationals. Individuals and combined efforts were met with success at the invitationals as Portage Central won numerous and prestigous awards.

FORENSICS: A GOLDEN TONGUE

The forensics class taught many students how to create well-organized speeches. Each student worked hard to obtain 23 optional points which would allow them to participate in the National Forensics Tournament. For the first time this year, the forensics class had T-shirts made, which had "PCHS FORENSICS" in the shape of lips and each student's name on the back.

BACK AFTER 15 YEARS!

After two decades of inactivity, the National Honors Society was reinstated at Portage Central. The National Honor Society selects its members on the basis of a 3.5 or higher grade point average and their demonstration of four superior qualities: scholarship, leadership, service, and character. Students belonging to this organization are given an advantage when applying to colleges and are provided with special gold tassels worn at their graduation ceremonies. **Mrs. Cavazos, Mrs. Pence,** President **Michael Jenkins,** and Secretaries **Miri Branch** and **Amanda Lightfoot** advised its 36 junior and senior members as they participated in several service projects. These included tutoring Portage Central students that were recommended by their teachers, decorated the Provincial House, and collecting small prizes for the nursing home's bingo games. The National Honors Society has had another great start, and this time it will be maintained for the scholars of our school.

No, AFS does not stand for Always Friendly Students, although it could, but it does stand for American Field Service. Among other things AFS sponsors foreign students who wish to come to the US for a year of schooling. AFS students were involved in many activities this year including a hay ride and a Halloween party. They also had many other get-togethers with Northern's AFS group.

CULTURE-N-CLASS

Sherine Hassan
Egypt

Coming here to the United States was a big experience for me. It was a big step in my life that I had to take. The very first day of school I was very nervous and afraid because I didn't know anybody, but everybody was acting really nice and made me feel at home. I have made a lot of friends over here. I learned a lot of things in this year that changed my point of view towards many things I learned about a new culture. I enjoyed all my classes and my teachers, in spite that I have a lot of homework every day in every class. I was very lucky that I was staying with a very sweet family. They made me feel at home and I rarely feel home sick. It is the same with my friends. They are all very nice and I want to thank everybody that helped me make this year a great year of my life, especially my family, my friends, and my counselor.

Chris Weber
West Germany

Hi! I'm Chris and I'm from Dusseldorf, West Germany. I came to the U.S. to learn more about the Americans and their culture and to become more independent. I really liked it here. All the people I have met were so nice and helpful. Also I enjoyed being on the tennis team in the summer. My English became more fluent since I've been here. I think it's great that international student exchange programs exist. Don't you?

Robert C. Devereux
New Zealand

I have always had a passion to experience life in America. During my time here, not only has my "kiwi" accent changed, but also my use of words, as I drop New Zealand slang and pick up American. American school for me is also a new and wonderful experience. The immense size of the school population, the freedom of dress, and the luxurious fact that Portage Central is co-ed. American sport must be the highlight of my year in the USA. My learning experience with American football was one of the most wonderful times of my life and I feel that I must personally thank Coach Knight and the rest of the PC football team and coaching staff who were so patient with one very slow learning rugby player. Thanks a lot guys!! Sharing my experience with the PC Varsity Volleyball team promised to be a learning experience all around. I thank them, knowing that the 1986-87 season was great and successful. Once again I thank the people who helped me through this year — my friends and team members, coaches, teachers — but especially my host family, the Ball's, for if it weren't for them, I would never have had the chance to come here and experience Mustang Pride and Power!! Students of PCHS — I thank you and New Zealand thanks you! Go on, and have a wonderful and fulfilling life!!!

Ivaro Retana
osta Rica

As an AFS-foreign exchange student, I ame to the U.S. in search of a better nderstanding of the world around me, ne people who live in it and their cul- ure. I have gained much of it already om my family and my friends. Even hough I'm staying a very short time, I ope to learn and experience as many ew things as possible so I can mature nd get to be a better person.

I come from Costa Rica, a small coun- y in Central America, so the change as been big. It has also been a great hallenge adapting to a new culture in a fferent language, but I think this kind of xperience will help me grow towards a etter future.

Lucia Westhoff
Germany

I'm Lucia Westhoff, an eighteen year old German girl, who came to America to learn about American customs, habits, and lifestyles. I also wanted to improve my English, so I thought the best way to learn about these things was to visit America and live here for a period of time. I want to thank everybody, especially the Shunneson family, who made my stay in the U.S. such a good experience and helped me be able to manage all the new things I had to deal with. One of the greatest experiences for me was to be a member of the swim team. In that way, I met a lot of my new friends and I really enjoyed the great time with the team. I'll never forget the great time I had in the U.S. and hopefully I will be able to come back sometime to see all my friends again.

Fredrick Ivarsson
Sweden

My name is Fredrick Ivarsson and I am a foreign exchange student from Sweden. I came to the U.S. because it is an interesting country with, for example, the football, the great school spirit, and, of course, the good junk food. Although I have learned that the U.S. is not very different from other countries; people are the same and so are the parties. The only thing that is really different is the school and all the activities around it, and the school spirit is really something with the pep rallies and cheerleaders. I like all kinds of sports and the school has a lot of opportunities. I will try out for the tennis team and the ski team. I am going to stay here until the end of June and I'm planning to have a lot of fun.

George Romero
Spain

I'm George Romero, a foreign exchange student from Spain. I chose America because I wanted to learn to speak English better and to know a new country, people, and to have new experiences. I want to enjoy America because it is cool, and the people too. I learned about the language, the people, and the different kinds of food.

WCHS: Stephanie Crabb, Cheryl Bukant, Rob Fitpatrick, Brad Crawshaw.

Lacking the needed students, WCH couldn't continue during the first semester o this year. But the second semester wen smoothly, with chosen students working fo public access, athletic activities, city counc meetings, filming projects, and camera jobs They also learned about radio commercials producing light, and television programs Their instructor, Mr. Hill, was very positive and encouraging toward his students, an about their projects throughout the semes ter. Once again, WCHS has proven to b one of the great things about our schoo and its growing list of accomplishments.

The Science Club involved students from various grades who were interested in science related activities. Also included was Mr. Don Campbell, who acted as the club's advisor. A special club event was the annual Science Olympiad held at Kalamazoo College.

The Computer Club consisted of approximately twelve students this year. The advisor, Mr. Pinkham, instructed the group in applying computer principles, and escorted them to a computer-operated business. The club was also involved in fund raisers, which helped to purchase equipment for the computer club and computer classes at Portage Central High School.

RUN FOR THE GOLD

The Women's Track Club attracted those who wanted to remain active and "stay in shape" during the winter months. In order to maintain physical fitness, the girls participated in activities such as running and weight lifting. For many of the members, the Track Club served as a pre-conditioner for the track team and other spring sports.

SKI CLUB GOES FOR THE GOLD

This year's ski club started out slow. It only rained and did not snow, but the skiers went out to Timber Ridge anyway. Throughout the season it started to snow and the skiers had an excellent year.

1. Skiers pose for a picture. 2. Ski bums take a break.

SPARKLING SPIRIT

In order to preserve and generate school spirit, Pep Club was involved in a number of tasks this year. A few of these tasks included making decorative posters, organizing pep assemblies, and coordinating many of the Homecoming and Winterfest activities. Under the direction of the advisor, Mr. George VanTyne, the Pep club contributed in many ways to an exciting and "spirited" year.

DRAMA CLUB
FUTURE GOLDEN EMMY AWARD WINNERS?

Drama Club was organized to give students the opportunity to learn about the "behind the scene" action. It allows students to experiment with make-up, set-design, lighting, and music. All members of the drama club are involved in the play in some way; whether they are acting on stage or working crew back stage. Both jobs play a major role in the presentation of theater.

Crew members from the play discuss backstage operations with the director.

Drama Club: Tonia Branch, Colleen Krueger, Angie Garling, Jennifer Welser, Marcia Ochoa, Craig Russell, Joe Stoltman, Lissa Pai, Caryn Arundel, Jackie Justice, Julie VanSweden, Jenny Doyle, Melissa Weston, Lisa Maguire, Jeff Lavender, Amy Wentzell, Matt Justice, Kark Fleck, Sally Westveer.

DRACULA

In the fall, through sickness and health, the dedicated and talented cast performed Braim Stoker's version of *Dracula*. The play, about Count Dracula and his quest for blood and a bride, was unfolded before exceptionally large audiences. The large turn out for the fall play created excitement and energy for all the members involved in the presentation. Under the directorship of Mr. James Furney, *Dracula* proved to be a satisfying and successful experience for the cast and crew, as well as for those who attended the production.

GLITTERING GOLD

"Entertainment This Week" was the theme of the 1986 Football Homecoming. All week school spirit was demonstrated through dress'up days, games and hall decorations. The Senior Class was again victorious in the homecoming activities and won the much honored pep jug. Climaxing the week was the Friday night half-time when Stephanie Stepp and Brian Standish were crowned Queen and King. The memorable night ended with a victory over Kalamazoo Central and a celebration at the Homecoming Dance following the game.

SENIOR HOMECOMING COURT: Shelby Terry, Jeff Lavender, Queen Stephanie Stepp, King Brian Standish, Chauntelle Minshall, Mike Gersinger.

"ENTERTAINMENT THIS WEEK"

Football Homecoming was characterized by dress-up days, games, and hall decorating. Classes spent all week dressing up to fit the theme, "Entertaiment this Week." "MASH" day, "Magnum PI" day, "Happy Days" day, cartoon day, and finally the traditional Blue and Gold day decorated the calender. Games were played after school Wednesday and during the pep assembly on Friday. The games included the egg toss, balloon toss, cake toss, toothpaste race, tug-o-war, and the 3-legged race.

1

3

1. How was that cake? 2. Competing for the big prize on "Sale the Century" are sophomore contestants *Marcy Whitters, Lau Arlington,* and *Angela Loehr.* 3. Which bachelorette will *K.C. Sch ing* pick? 4. *Mr. Ingalsbee* is "all wrapped up" in the pep assemb 5. *Lisa White* and *Dan Jaqua* won the cake toss once again. Cartoon characters liven the senior hall. 7. Popular on M.A.S.H. d are the camouflage clothes worn by *Teresa Overmyer* and *Do Cripps.* 8. Some seniors show their spirit by dressing up for t cartoon day.

Throughout the entire week, students from all classes worked after school and nights on decorations for their respective halls. They came in a frenzy of activity as the hall decorations were put up. Finally, after ending a weeks of anticipation, the victors were announced. The SENIORS came out on top, as they out-dressed, out-played, and out-decorated their opponents in the exciting, competitive homecoming festivities.

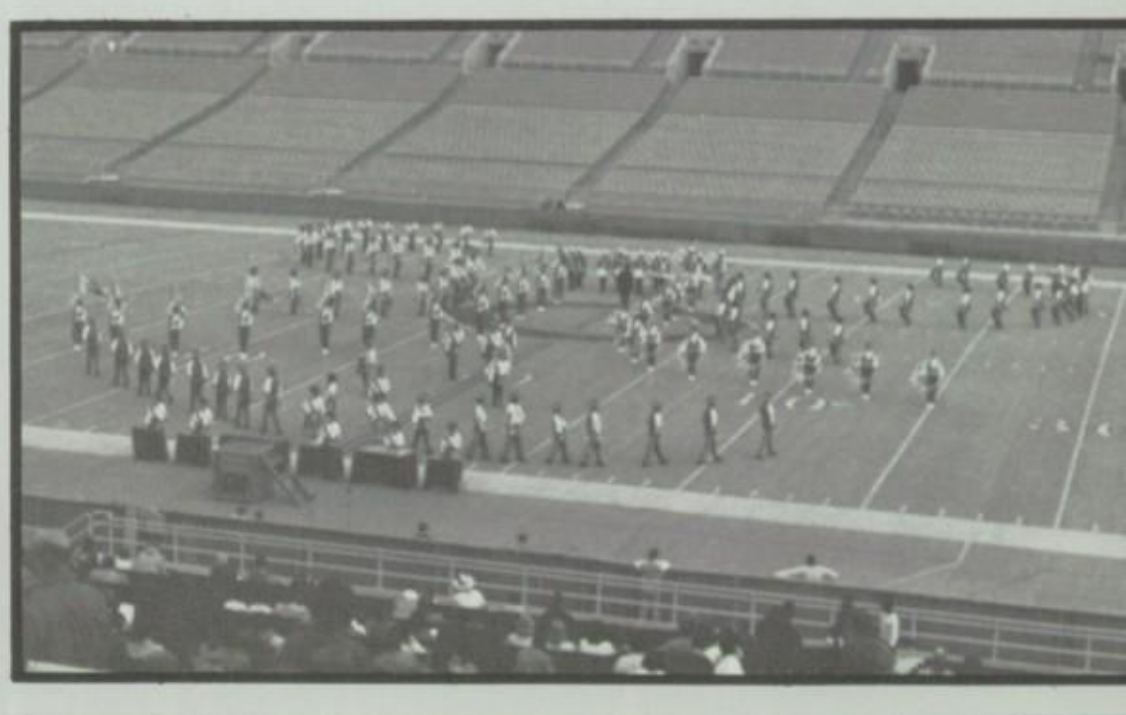
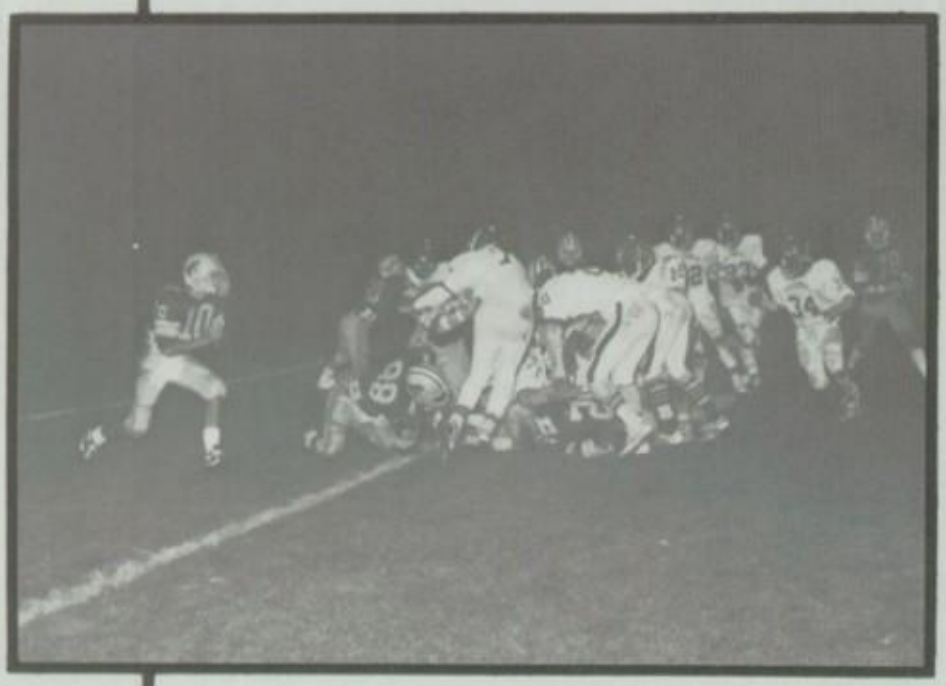
OUR GOLDRUSH

OF

1

NATIONALLY RENOWNED! The Portage Central Marching band placed 8th at the Beatrice-Tropicana Music Bowl and won the novice class in the MBA-MidEast Nationals.





2 EXCELLENT SEASON! Our football team succeeded in having one of the best seasons ever. What a way to start off the school year!

5

SUSPENDED! but only temporarily. Activity period took a temporary leave of absence, while faculty and students developed new ideas to make activity period more productive and useful. Popcorn was sold, arm wrestling and ping-pong competitions were formed, and autobody contributed their ideas to keep activity period a Central Tradition.

4

TENNIS BALLS? . . . at a hockey game? In the most memorable game of the season, the PC crowd cheered and cheered some more, leading our team to an overtime victory over Portage Northern.

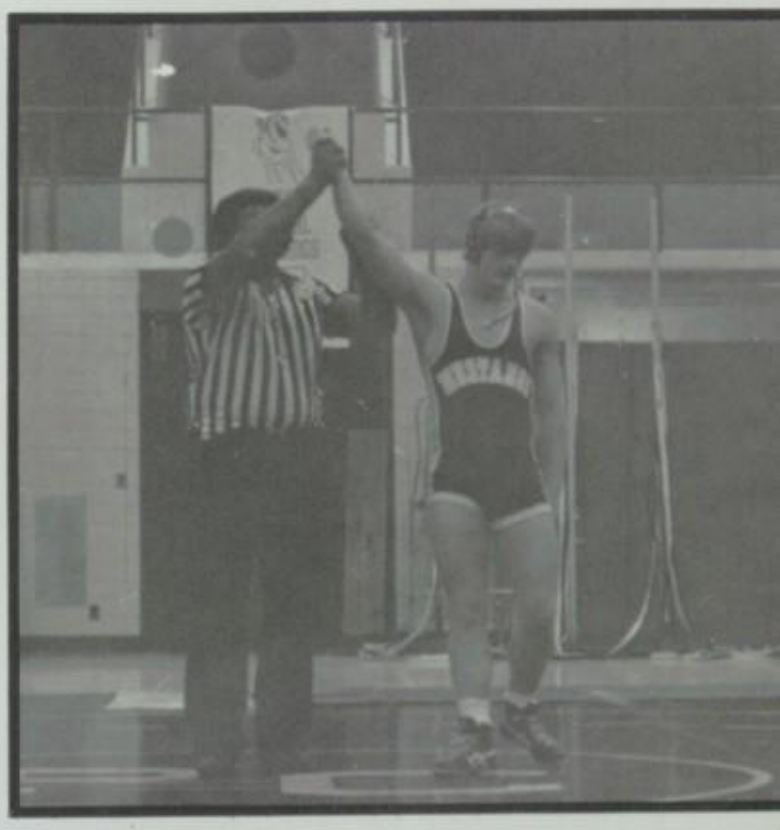
3

THE SCIENCE MINDED. The Kalamazoo Science and Math Center offered opportunities for in-depth study in science and math. Five freshman attended this center; Sean McAfee, Eric Pesheck, Usman Mangla, Rob Eddy, and Alan Kaufmann.

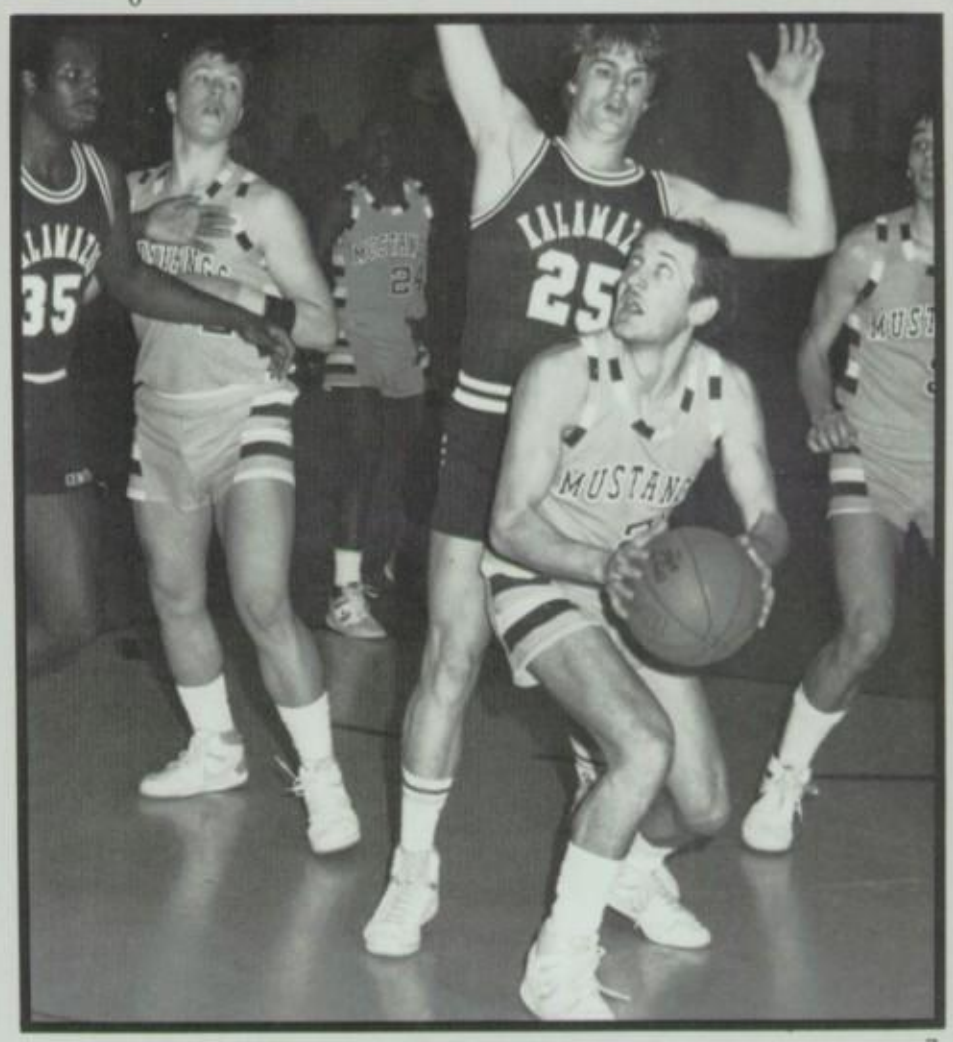
1987

6

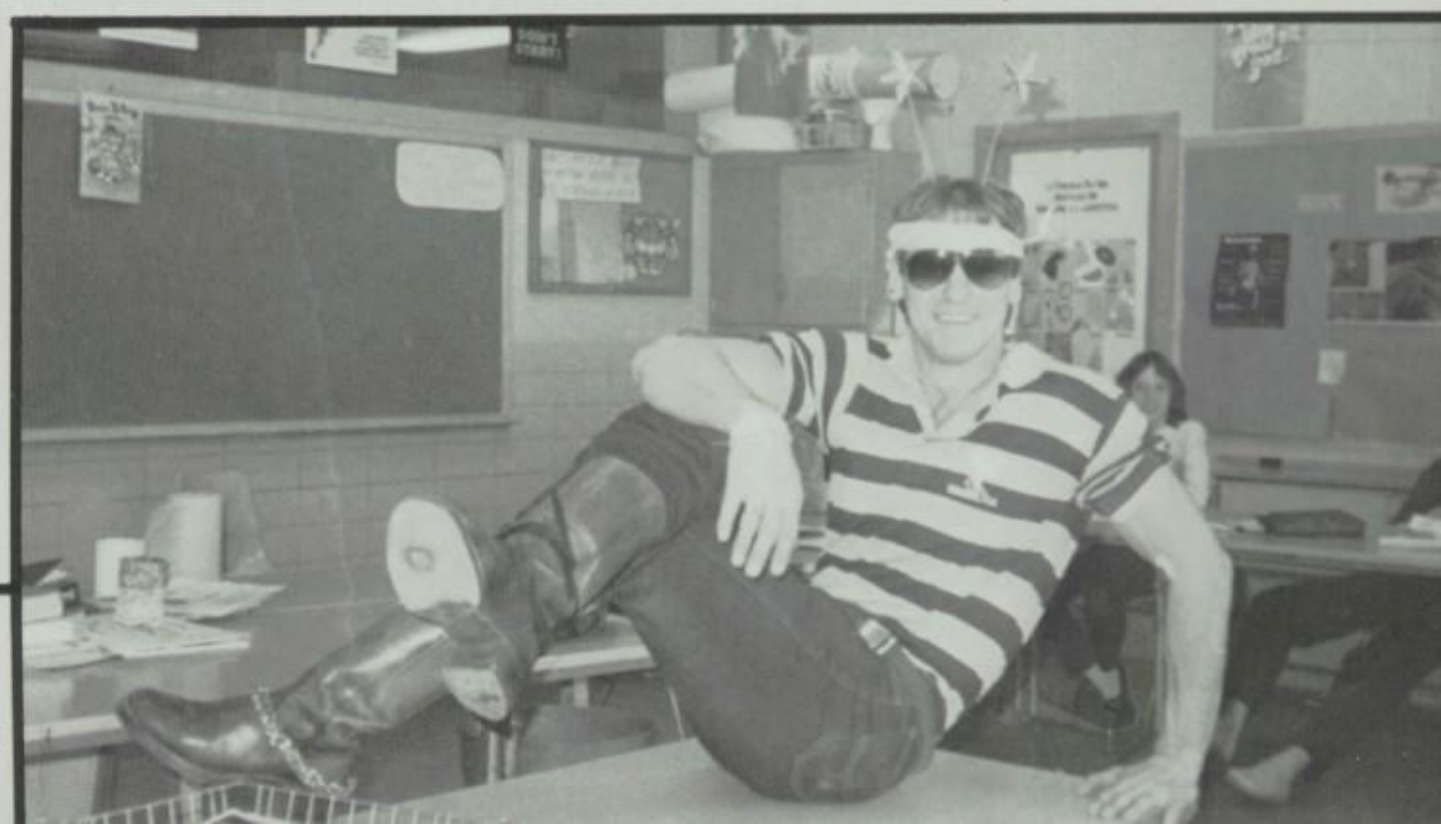
6 HOME CHAMPS! Women's swimming, under the coaching of Jim Schafer, again held the undefeated record, and a conference championship. Wrestling also held its tradition of winning, by being undefeated in dual meets and winning the conference. Unique in both conference titles was that the meets were both held at home.



7 A NOTICEABLE IMPROVEMENT! Men's Basketball had an exciting season this year, which began with an impressive upset over Sturgis. Their season was impressive even though the record didn't show it.



7



8

PC '87

9 PLANNING A PARTY! Portage Central Parents was a new group formed to get the parents more involved with the school. The senior parents were in charge of organizing the first graduation party for the senior class of 1987. PCP will be a welcome addition and tradition for PCHS.

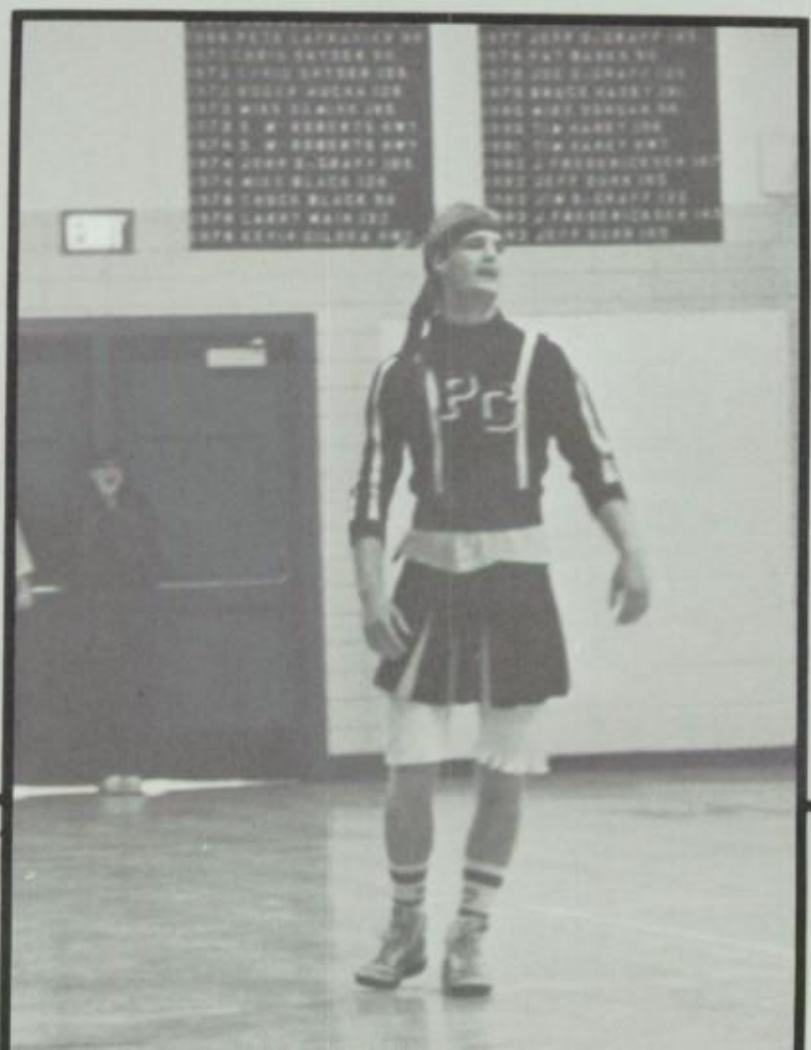
9

10

11

8 A NEW AUTHORITY: . . . And ow he has to ear a tie! Mr. oodrow, our rmer health eacher, replaced e retired Bud ssen as assistant incipal. teresting.

10 I WANT TO SUCK YOUR BLOOD! PC's production of *Dracula* was a big success, maintaining the tradition of excellent theater.



11 WHAT, NO VARSITY CHEERLEADERS! Popular, again — this year were the infamous male cheerleaders. But, there was something new, never before revealed to the student body: the Faculty Cheerleaders. Unforgetable!

Shown here are some of PC's great talent. Students who have spent endless hours on their art projects, paintings, and sketches have a chance to display them in the Mustang's literary magazine: *Montage*. This magazine, sold toward the end of each school year, holds the great talents of these artists. Some of PC's greatest talents are also shown through the use of words. Essays, short stories, and poems are displayed expressing the thoughts, feelings, and dreams of PC students. Those putting forth their extra time and effort to work on the *Montage* staff are Trevor Myers, Nancy Cox, Matt Justice, Becky Kasinec, Robin Gage, Karen Taraszka, Mike Neil, Bill Thompkins, Chris Dore, Jessyman Neuhouse, Dan Srahl, Marcia Ochoa, Jeff Lavender, Megan Whitlow.

DO YOU REMEMBER 1987?

Do you happen to remember the Iranian arms scandal, Andrew and Fergie got married, the Amtrack crash, a fire in Puerto Rico, please "Say No To Drugs", the new tax laws, AIDS, AIDS, and more AIDS, the trillion dollar national deficit, the Michigan Farmers who gave hay to the drought victims, or the Voyager voyage?

At the movies in 1987, there was *Top Gun* with Tom Cruise, *Crocodile Dundee, The Golden Child* with Eddie Murphy, *Platoon, Beverly Hills Cop II,* and if you couldn't get out, there were VCR's and the ever faithful television sets. There was the *Cosby Show, Family Ties, Moonlighting, Perfect Strangers, Amerika,* Vanna and Pat on *The Wheel of Fortune, The Dating Game* is back, Always avoid the NOID, the church lady: "isn't that special?", and last farewells were given to Cary Grant, Ricky Ricardo, and Liberace.

In sports, how about those Mets? The Giants won the Superbowl, Michigan loses in the Rose Bowl again, Michael Jordan is flying high, and Brian Boswell and his steroids. Don't forget that the America's Cup is back home, Greg Lemand won the Tour de France, and nobody will forget that favorite American past time, Wrestlemania.

Genesis got back together, David Lee Roth went solo, Sammy Hagar is with Van Halen, Bon-Jovi is "Slippery When Wet", AC/DC is here to stay, Boston has returned, Janet Jackson takes Control, those amazingly talented Beastie Boys, "Dancin'" with Ratt, and the Bangles had us all "Walking Like Egyptians."

This year we were all: wearing Coca-Cola clothes, Guess jeans and overalls, mini skirts, jean skirts, dresses and jackets, Forenza, gold and silver herringbone necklaces, Outback Red, Jams, Bomber jackets, BOOTS, suspenders, big bows in our hair, Banana clips and Reeboks. "You're hurtin'" if you haven't been to TCBY's, Little Ceaser's, on doughnut runs, or to U Avenue.

At school there was the suspended activity period, Bud Fossen retired and Mr. Woodrow took over, our beloved Portage Central Parents, SADD, the Rent-a-Cop, the new field box at McCamley Field, Mr. McCloughan got his 200th win, *Dracula, The Wizard of Oz,* the male cheerleaders, spring break, homecoming, exams, the prom, graduation, the graduation party, and the class of '87!!!!

Remember now? Wasn't it great?!?

We would also like to thank the following people for their efforts:

Sheryl VandenBerg — for her help during the third deadline!
Dan Jaqua — for helping with photography of our sports events.
Mr. Perry Wilson — for his support with the photography.
Mr. Corstange — for the use of his phone.
Mrs. Vernon — for the use of the typing room.
Mrs. Robyn — for the use of her phone.
Mr. Wilson — for supplying sports statistics.
Mrs. Hertzell — for all the favors!
Mr. Gawlkowski — for accommidating our assembly scheduling needs.
Student Council — for their efforts, and especially trying to change Homecoming for us.
D and D Photo — for rushing our photo developing.
Powell Studios — for taking pictures at our many special occasions.
Mr. and Mrs. Lightfoot and Dr. and Mrs. Dunfee — for all the support and encouragement you've given us through the last two years o
co-editors.
And a special thanks to:
Miss Betty Gloor — our Roundup advisor.
Gail Brown — for all our questions and phone calls.
Mr. Mike Rowe — our Josten's representative.

Dear Quint -

And so she spent most of the time far away, listening to the sky and looking for earth music. But when she woke up now and then to watch the rain, there were certain people who made a difference. You, o stylish one, were making a difference in my confused but significant life. Youre perfectly charming. Good luck with being you and utterly you. If my nymphomaniac tendancies develope, dll give you a ring in a year or two.

Peace and Protests

Quint,

-Teachers are up my ass, but I'm not quite into anal sex so I can't wait until my temporary and short-lived Freedom rolls around! I hope your summer is like one ~~of~~ a Freed Jew from the concentration camps of the Fascist regime! Let the Fascists die hard! I Hope to continue seeing you around next year! Remember that Julius Ceaser was an Asshole and nothing more or- less!

Quint,
I'm really glad I met ya this year (even though ya a band Fag) I still like ya. Ya are super sweet even though you tease me and tell me I'm an airhead. Will have a great summer. See ya next year. I hope we have the same Math class but NOT Roger and not 1st hour.

LUV,
Andrya

Quint, To one strange person who is turn to be around. I love the style of your hair. I want to borrow your clothes. (seriously) Dell's class was quite interesting, no it was BORING! I have a Radical summer. Burn to much. Don't spaz! Hope to see you next year. Have a great summer. Hurrah! Do you could read sadly, OK?!

Quint,

What's up! Me not much. Well this year I'm glad we became better friends you'll have to come to my sis's party its gonna be a huge BASH. You lost my #, well! Here it is so you'll always have it 323-1944, In a couple of years it will bi popular so save it. HA HA! Keep in Touch!

Quint-
Hey Dude! The bus was such a joke! Ahh! Hopefully we both won't be riding it next year! Well It was nice chatting with you! Im glad we both feel the same about good old Kalamazoo! Don't worry Kalamazoo is only a state of mind! Take care over the summer Don't get stoned to much! Love Cathie

Quint.

Its been fun having you in Hemsley but we never got into the weird conversations like we did with Marlon last year in Engels class. U don't know why you're so serious and I hope you excell your record on books read. I don't think we view the world the same. Stay Stupid
